The Financial Times and Statista

Hereby recognise

Bharat Forge

as one of

Asia-Pacific Climate Leaders 2023

The list comprises companies headquartered in Asia-Pacific with a minimum revenue of at least USD 50 million in 2021¹ that stood out through the following achievements and engagements:

- Transparent reporting of scope 1 and scope 2 for the years 2016 and 2021
- Annual reduction of emissions intensity of at least 3% during the 5 years period between 2016 and 2021
- If emissions were reported to the CDP, the CDP score had to be at least B-²
- Commitment with the Science Based Targets initiative
- Transparent reporting of scope 3 emissions for 2021, ideally including more than five scope 3 categories
