Sharadanagar, Tal. Baramati, Dist. Pune – 413 115.

Activities Conducted since 2025-26

A MoU was signed between Bharat Forge Ltd., Pune & Agricultural Development Trust, Baramati for the Tree Plantation Project. The objectives of the MoU are as follow:

- To improving the quality of the natural environment by adopting practices like deforestation.
- To aware local community, school children on the criticality of climate change and aware them about how tree plantation can make a real difference.
- To utilize barren lands for tree plantation to improve soil and water conservation.
- To improving water quality in local streams and ponds.
- To protect groundwater supplies.
- To reduce the damage to land caused by erosion, floods, landslides and other effects of ecological imbalance.
- To conserve the ecosystem.
- To increase the income of small landing farmers.
