## NGO MEET- 2022-2023

- Every year we organize NGO Meet with top management
- Mr. Babasaheb Kalyani, Chairman and MD, Bharat Forge Ltd. recently had discussion with our NGO partners about the ongoing work in the villages & skill development area. He had also guided and explained the journey towards Green villages to the NGO representatives.

# Project - Village Development

**Taluka: Koregaon District: Satara**

**Names of the villages- Targaon, Saygaon, Dhamner**

**Mrs. Sunita Kalyani visited the village development project**

Mrs. Sunita Kalyani had visited 3 villages from Satara District – Targaon, Saygaon and Dhamner.

During her visit she observed the infrastructure developments work done and had interacted with the villagers. She also inaugurated the 42 KW Solar water pumps work installed at village Dhamner.

**Site visit & interactions with the villagers at village Targaon**

**Site visit & interactions with the villagers at village Saygaon**

# Project - Village Development

**Taluka: Koregaon District: Satara**

Site visit & Lokarpan Sohala/ handover ceremony

**At Village Dhamner Taluka Koregaon**

We have installed **Solar water pump system of 42 KW Power at villages Dhamner .**  
**The inauguration of this work was done by Mrs. Sunita Kalyani**

- This project will reduce the dependency of villagers on electricity or diesel.
- Since the Grampanchayat will be relieved from heavy electricity bills, the amount saved can be utilized for the development work in the villages.
- The water will be now available on time & will save labour work in fetching the water.
- **2,900 villagers will get benefitted with this.**

**Dhamner**

**Solar project Lokarpan & Z P School visit at village Dhamner**

**Interactions with the villagers at village Dhamner**

## Project - Village Development

**Taluka: Karad District: Satara**

**Construction of toilet unit at New English school, Village Salave**

# Project - Village Development

**Taluka: Koregaon District: Satara**

**Lokarpan Sohala/ handover ceremony**

## **At Village Jaypur Taluka Koregaon**

We have installed **Solar water pump system** at villages **Jaypur**

The power generation is 12 KW in the village.

- This project will reduce the dependency of villagers on electricity or diesel.
- Since the Grampanchayats will be relieved from heavy electricity bills,, the amount saved can be utilized for the development work in the villages.
- The water will be now available on time & will save labour work in fetching the water.
- **3,800 villagers will get benefitted with this.**

**Jaypur**

**Solar project Lokarpan & interactions with the villagers at Village Jaypur**

## **At Village Visapur, Taluka Khatav**

- We have constructed underground gutters at Visapur village
- This work will benefit to 3,200 villagers in terms of quality of life and improved health status. It will also help to maintain cleanliness in the village.
- The construction of underground gutters will not only make the village clean & hygienic but also will make the road wider.

**Construction of underground gutters at Visapur**

**Site visit & Interactions with the villagers at Visapur**

## Project - Village Development

**Taluka: Khatav District: Satara**

*Site visit - [Work in progress]*

**At Village Ambheri, Taluka Khatav**

- Village Ambheri is drought hit village and has no storage for water facility so BFL has started desilting of existing talav at village Ambheri [work in progress]
- With this work 150 hectors of land will be brought under irrigation
