Project - Village Development

Taluka: Khatav, Koregaon District: Satara

At Village Visapur & Rui, Taluka Koregaon

Cardiac Health Camps

While working on health indicator under Village development project, we realized that the people from villages neglect their health due to lack of Awareness & Resources.
Under Health indicator of Bharat Forge Village Development Project, we had organized Cardiac Health Checkup Camp (BP,BMI, Sugar, ECG tests were covered) 14th & 23rd December 2022 with the help of Ruby Hall Clinic .

Total beneficiaries from Visapur village – 115 villagers & from Rui-118 villagers

The cases for further investigations were referred to Ruby Hall Clinic's sub centres at Satara and Karad. The Patients will be treated further with nominal fees.

BP, Sugar check up

Doctor's consultation

Breast & Cervical Cancer screening for women from villages

The women from villages are unaware about the health issues. Under Health indicator of Bharat Forge, - Cancer screening / Hemoglobin checking camps and awareness sessions were organized for the 284 women from villages from Taluka Purandar, Dist. Pune with the help of NGO Samvedana with the objective
1.To help the women by making them aware about the health aspects and also for early diagnosis of breast and cervical cancer.
2.To guide women for proper diet and nutrition & to reduce the anemia .

Till date we have completed health checkup of 4647 women from the villages .

Work in process

At Village Takale, Saygaon, Taluka Koregaon

Way towards Green Village …..

We have installed **Solar water pump system at Takale & Saygaon villages.**
At village Takale - 12 KW & Saygaon - 12 KW..

- This project will reduce the dependency of villagers on electricity or diesel.
- Since it is a zero light bill solar project, the grampanchayat will be free from the problem of electricity bill.
- The water will be now available on time & will save the labour work of the villagers
- This work will benefit to **1,800 villagers.**

Project - Telemedicine

District: Pune and Satara

Outreach initiative under Telemedicine project

The objective of the initiative is to provide medical facilities at their homes to those patients who are unable to come to the clinic due to some physical problems.
Nurses go to outreach villages with the laptop, visit homes, examine the patients and provide consultation services with senior doctors, in the home itself.

Session on Food Poisoning & Snake bite

Session on Food poisoning was organized at Telemedicine centers for 70 villagers with the objective to educate the people on the diet & type of food intake at Dhamner, Kanherkhed, Jaipur, Nagzari, Phadalewadi, Chikhli and Thakarwadi

Statistics of Telemedicine Center December 2022

Place	Total Foot Falls	Doctors Consult
Jaipur	263	236
Kanherkhed	266	246
Dhamner	218	193
Phadalewadi	196	183
Chikhli	151	112
Thakarwadi	150	148
Nagzari	291	261
Total	1535	1379

Project - Community Centre

30 women from Kalyani Group Community Development Center participated in Bhimthadi Jatra 2022 . This Jatra was organized by Agriculture Development Trust Baramati from 21st to 25th December 2022 at Agriculture Ground Pune with the objective to promote entrepreneurship opportunities for women from various communities.
Six stalls were allotted by Agriculture Development Trust. Women had showcased different products like Masala Papad, bags, craft items etc. Under food section they presented various Veg & Non-veg food items. Various people visited to the stalls. This was a good learning platform for the women to present their products, handle customers & challenges.

Women could make business of total amount of Rs. 5,17,700/-
