CORPORATE SOCIAL RESPONSIBILITY

Taluka: Ambegaon District: Pune

At Village Vadgaon Kashimbeg Taluka Ambegaon 'Lokarpan Sohala'

The existing water tank was in very bad condition and could not store water due to leakage and damage. The construction of new water tank was required. The new water tank constructed has 20,000 liters capacity and will benefit to more than 450+villagers.

Capacity 20,000 liters

Interactions with the villagers at village Vadgaon Kashimbeg

At Village Vadgaon kashimbe - Internal roads construction 'Lokarpan Sohala'

The existing roads of this village were in bad condition. In rainy season there used to be water stagnation. This was leading to health hazard due to mosquitoes & unclean environment. Even the villagers used to find difficult to walk in rains due to potholes. So we have constructed internal concrete road at village Vadgaon kashimbe. This work has helped in maintaining the clean and healthy environment of village and has benefitted to 450 villagers.

At Village Vadgaon kashimbe - Internal roads construction

At Village Amondi & Ugalewadi - Internal roads constructed 'Lokarpan Sohala'

The existing roads of these 2 villages were in bad condition . In rains there use to water stagnation . This work has helped in maintaining the clean and healthy environment of these 2 villages and has benefitted to **4500+ villagers** .

Awareness & Importance of the Cancer Screening Camp

Participants for the health Check-up

Bhimthadi Jatra 2021 was organized by Agricultural Development Trust Baramati from 22nd to 26th December 2021.

28 Members of Self Help Groups from Kalyani Group Community Development Centers participated in this Bhimthadi Jatra. They had displayed various products prepared by them - different types of Bags, Papad, Spices, Delicious food Items Veg & Non-Veg at their Stalls. There was very good response to their products. This had also helped them in gaining knowledge regarding starting of new business, managing difficulties and about the survival of the business.

Bharat Forge had organized health checkup for the women members from Hadapsar, Keshavnagar, & Vadgaonsheri community centers .

Under this Health Check-up camp we covered following pathological tests.

- Hemoglobin
- Blood sugar
- Thyroid
- Lipid profile
- Blood pressure

The members who were diagnosed with abnormalities are undergoing treatment.

Health checkup at community centers

Under employees volunteerism employees of various department had helped in imparting various sessions for the children and their parents at different communities.
