Work in Progress

THE KALYANI SCHOOL

Cyber Security Webinar

On 10th of January, 2018, Trupti Ma'am attended an online work-shop conducted by Mr. Rakshit Tandon. Mr. Tandon dealt with various aspects of handling the internet, where children are working. He said that the users have to take precautions to prevent hacking, posting offensive

material under the school name and being a cyber-bully. He said that it is advisable to use network security like a fire-wall. He further recommended that it is important for the school to have a controlled domain and host server for the school website. He also introduced the Cyber Congress concept focusing on two Cyber Captains in school to create a positive platform and introduce children to Cyber etiquettes.

Reading Workshop

On 19th of January, the English Language teachers of The Kalyani School attended a workshop, con-ducted by Ms. Aditi Mehta, from Stones to Mile-stones, on the art of reading and the techniques to inculcate the habit of reading among school children. Through an animated discussion and activities, she explained the importance of having an alignment of the head and the heart while reading, to make the experience a memorable and effective one. She displayed the books and reading materials published by her House, which promise to give the teachers necessary

Remarkable Sports Performance of the Kalyaniites

The Kalyani sports stars brought home another victory this month. This time they proved that they are not only being culturally accomplished, but also can hold their own, in the sports fields too. They had participated in the Supernova Cricket Match (Under 14), organized by CM International School, Baner, and they reached the Semi Finals. The school has also been making their mark in the fields of Football, in Inter School Competitions. The Tournaments are still going on and the Final Matches will be con-ducted in the month of February. There are many more laurels awaiting the Kalyaniites.
