# VILLAGE DEVELOPMENT

**Taluka: Maan-Khatav District: Satara**

**Date: 09<sup>th</sup> January 2021**

## **At Village Gondawale**

To have an appropriate water distribution system, Bharat Forge is constructing two water tanks of capacities 1,00,000 Ltrs. & 1,50,000 Ltrs. This work will help villagers to have access to water at their doorstep.  
Beneficiaries– 12,000+ people

**Construction of water tanks in progress**

## **At Village Visapur**

**Date: 11<sup>th</sup> January 2021**

Most of the areas in this village are drought hit. The water pipeline work done by Bharat Forge will help these drought hit internal areas to gain access to water at their doorstep.  
Beneficiaries– 2,000+ people

**Water Pipeline work completed at Visapur**

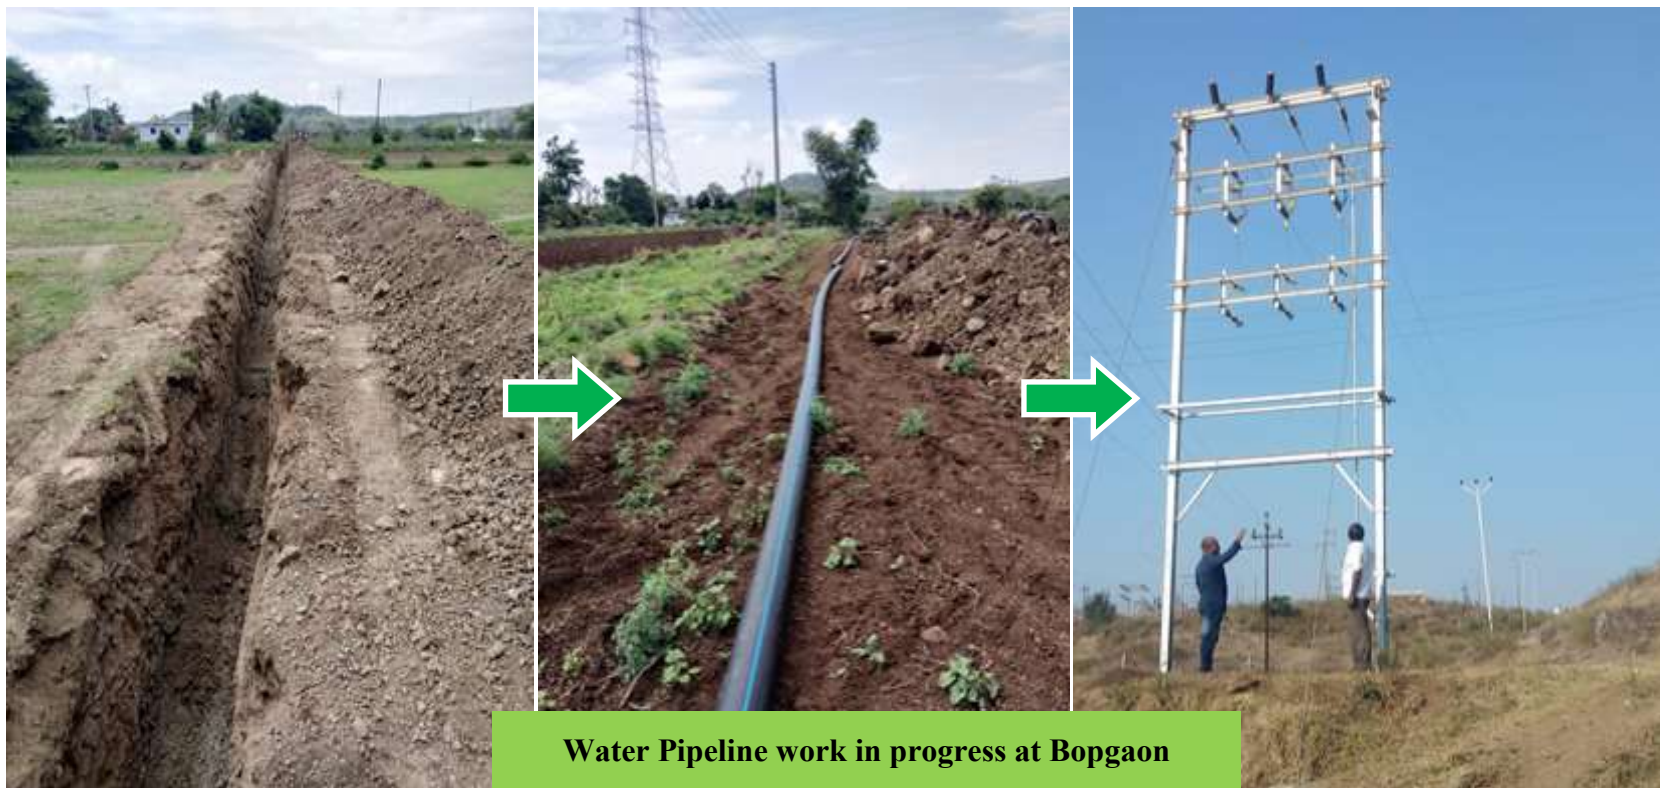

# VILLAGE DEVELOPMENT

**Taluka: Purandar District: Pune**

**Date: 11<sup>th</sup> December 2020**

## **At Village : Bopgaon -**

The water pipeline work will be done by Bharat Forge at Bopgaon village . This work will enable 45+ farmers to irrigate 350-400 acres of land and will help to increase their farming production and income level.

## **At Village : Singapore -**

The existing toilets are in a very bad condition. Considering health and hygiene requirements of 100 students, Bharat Forge is constructing toilet unit at Z P School, Singapore

# VILLAGE DEVELOPMENT

**Taluka: Shirur, District: Pune**

## **At Village Kendoor**

**Date: 19<sup>th</sup> February 2021**

Bharat Forge will start the desilting work of 2 Bandharas at Kendoor. This will help to recharge all the wells and bore wells and will benefit more than 7000 farmers to irrigate their land and have access to water throughout the year.
