PRADNYA VIKAS PROGRAM

Bharat Forge Ltd. works in educational area especially for the children from deprived communities. We run **Pradnya Vikas** initiative, for the children from slum areas of Pune. With the help of **Dnyan Prabodhini**, Pune the selected children from std. 7th to 10th are given value inputs through various educational & extra-curricular activities. This year the first batch of 10th std. successfully passed with flying colors. A small felicitation was organized for them at community center. It was amazing to hear from them, how they have crossed all the hurdles.
