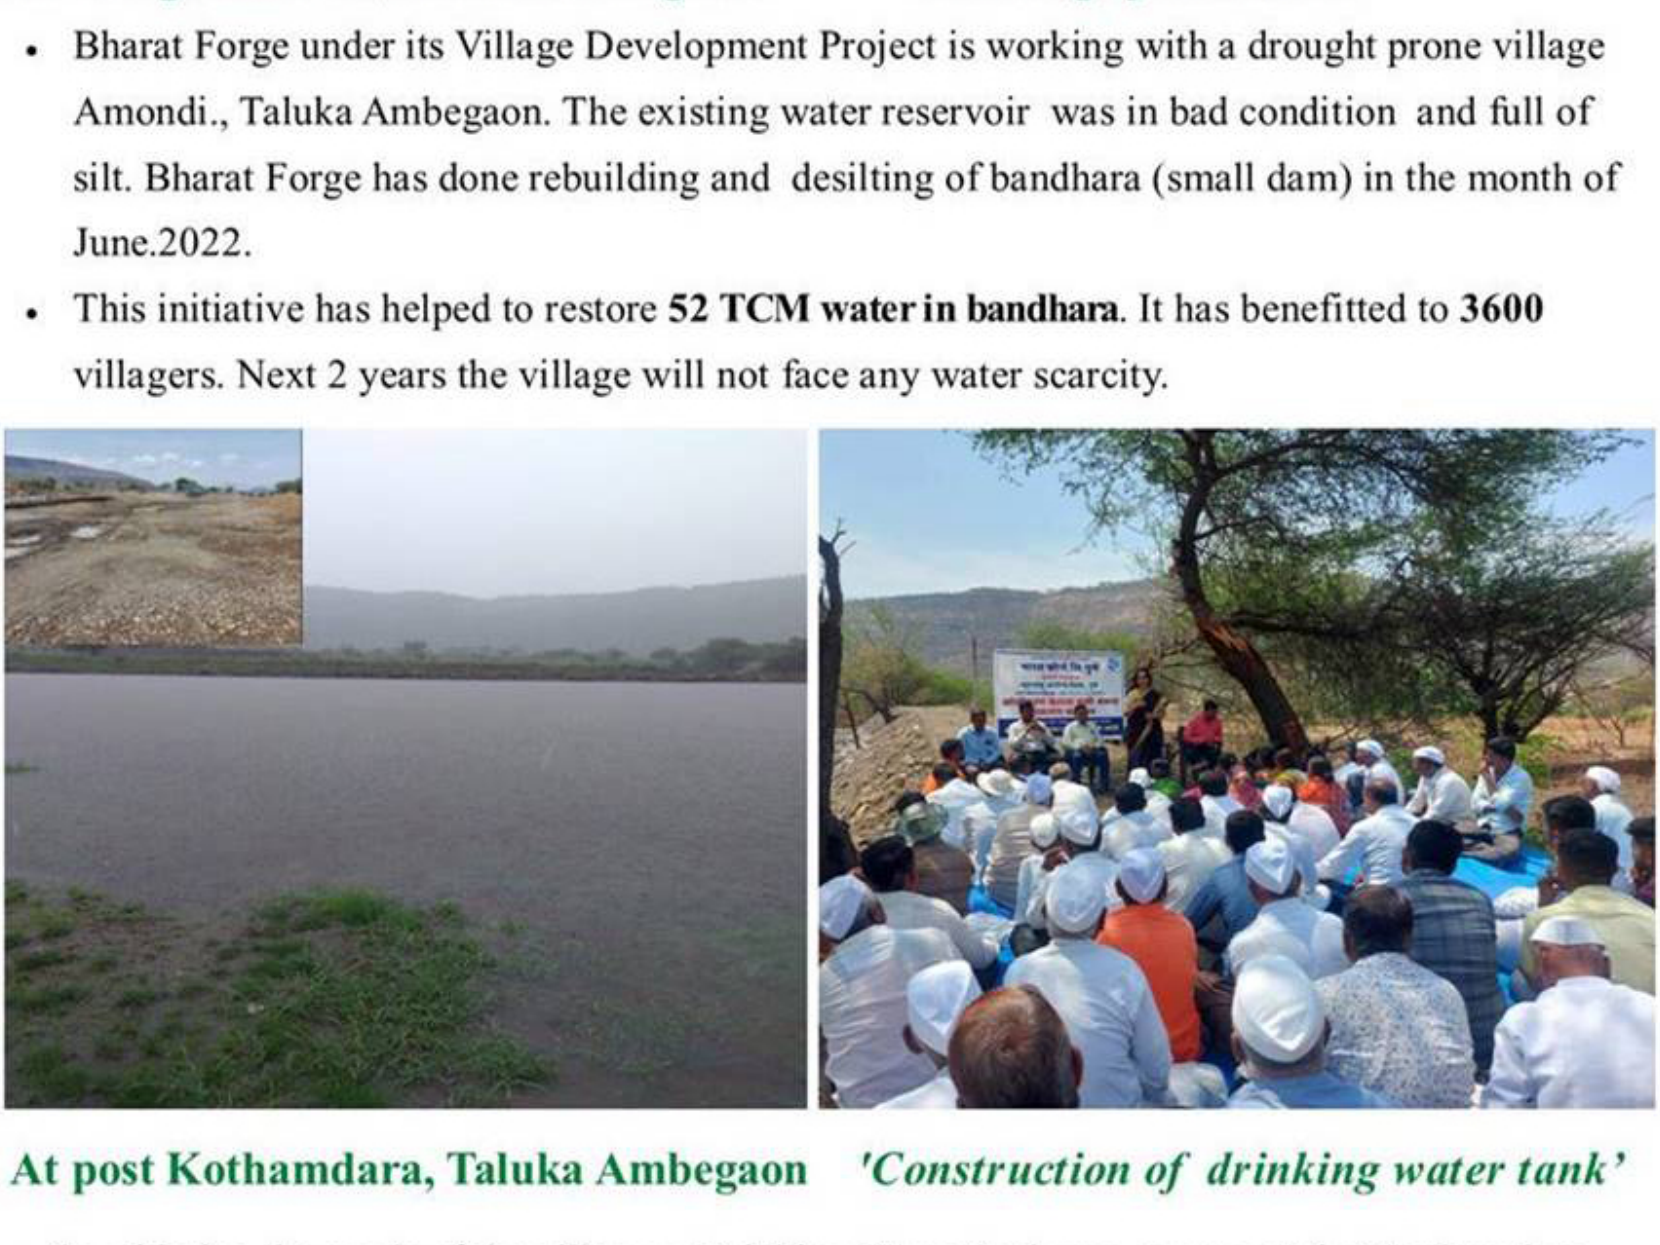
## Project - VILLAGE DEVELOPMENT

### Taluka: Bhoom District: Osmanabad

**At village Belgaon-Pimplegaon** ***" Desilting of mati bandhara"***

- **Bharat Forge under its Village Development Project will now be working with the drought hit villages of Osmanabad District.**
- Considering the needs analysis we found that there was no water storage provision and the existing water reservoir was in very bad condition.
- Due to construction of water reservoir and desilting work, in the present rains this reservoir is full with water.



### District: Pune

***Lokarpan Sohala - Handover ceremony***

**At village Amondi, Taluka Ambegaon** ***'Desilting of bandhara'***

- Bharat Forge under its Village Development Project is working with a drought prone village Amondi., Taluka Ambegaon. The existing water reservoir was in bad condition and full of silt. Bharat Forge has done rebuilding and desilting of bandhara (small dam) in the month of June.2022.
- This initiative has helped to restore **52 TCM water in bandhara**. It has benefitted to **3600** villagers. Next 2 years the village will not face any water scarcity.

**At post Kothamdara, Taluka Ambegaon** ***'Construction of drinking water tank'***

- Considering the needs of the villagers, Drinking Water Tank was constructed at Kothamdara village .Storage capacity of this tank is **10,000 liters**
- This initiative has benefitted to **400+ villagers**

The existing water tank was not in a good condition hence there was a need for constructing new water tank.

### District: Pune

**At village Kendur, Taluka Shirur** ***"Desilting of bandhara "***

- Existing water reservoir was in bad condition and was full of silt, Bharat Forge had done desilting of this bandhara (small dam) to restore **22 TCM** of water .
- Due to rains this reservoir is full with water & has benefitted to **10,000 villagers** .

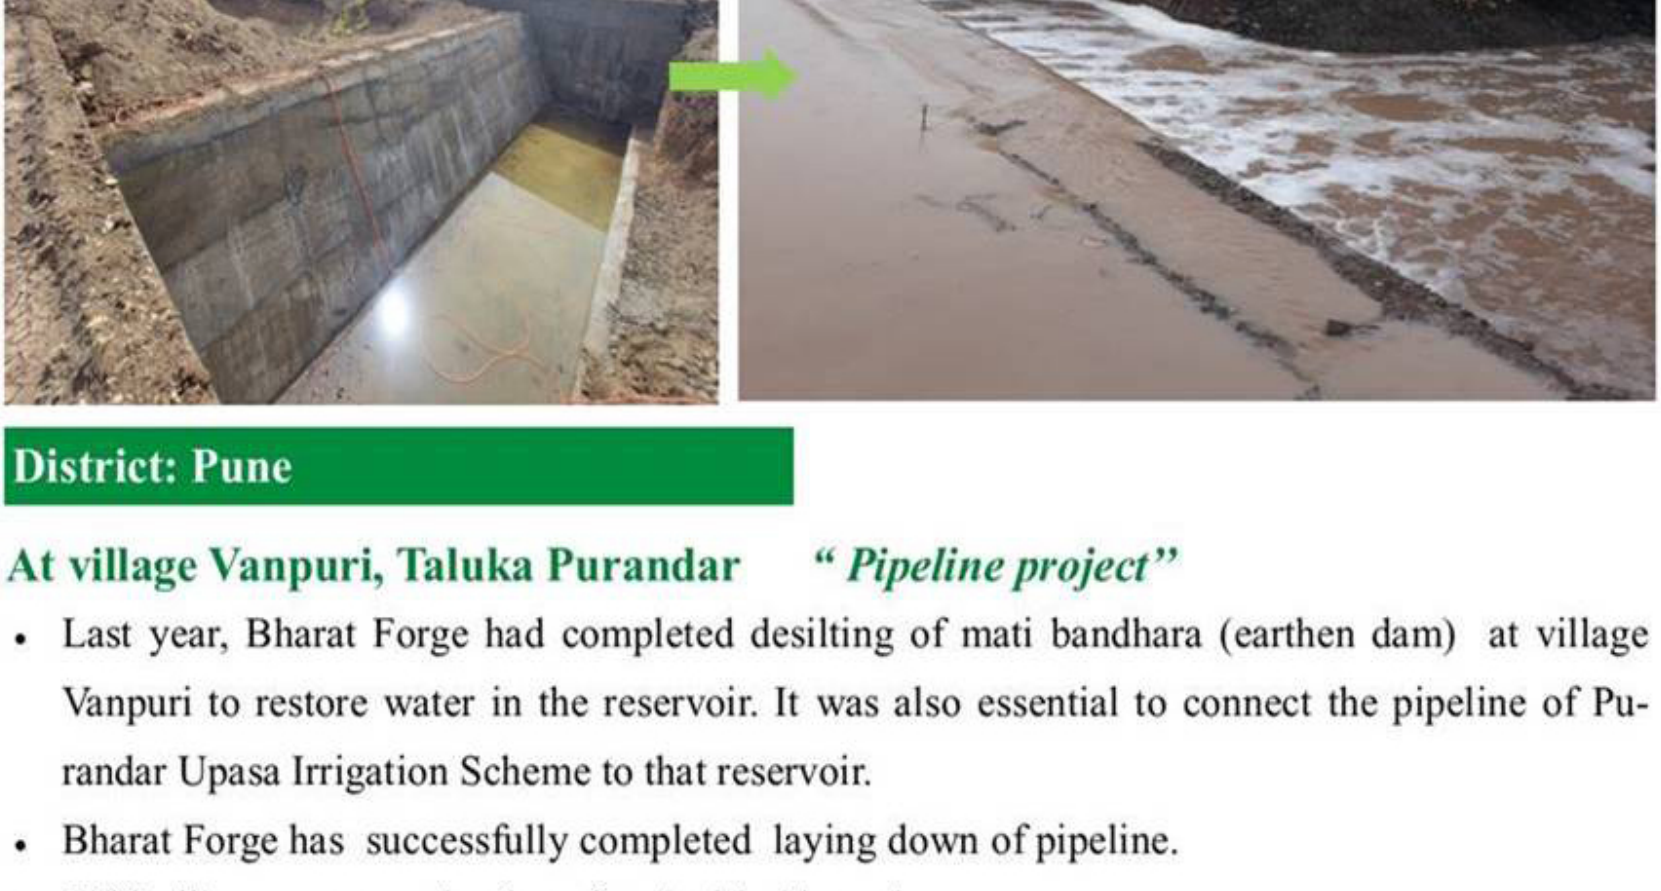
Meeting with villagers

### District: Satara

**At village Nigadi, Taluka Koregaon** ***" Constructed cement nala bandhara "***

- Initially there was no water harvesting structure in the village Nigadi.
- Bharat Forge has constructed bandhara ( small dam ) in this village. This has made water available throughout the year and is benefitting to **1200 villagers**



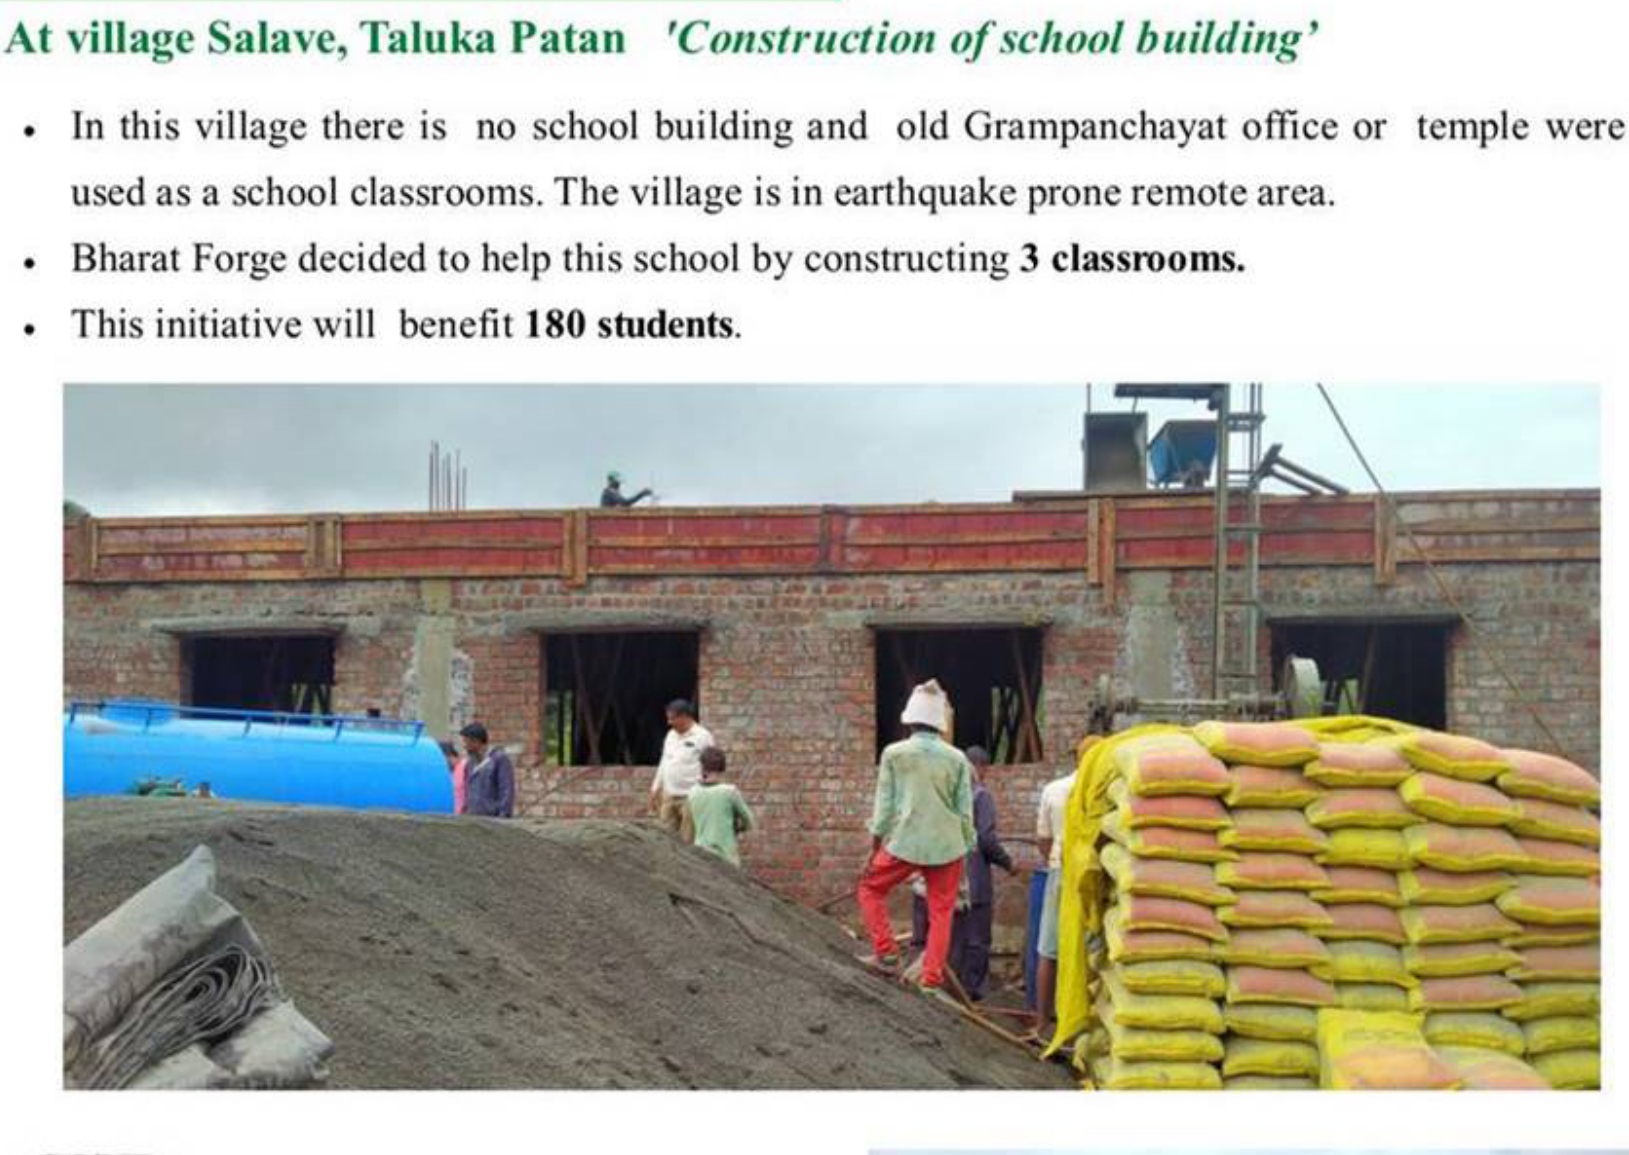
**At village Rui, Taluka Koregaon** ***" Constructed cement nala bandhara "***

- Bharat Forge has constructed bandhara ( small dam ) in this village. This work has benefitted to **1400 villagers.**
- Due to rains this reservoir is full with water.

### District: Pune

**At village Vanpuri, Taluka Purandar** ***" Pipeline project"***

- Last year, Bharat Forge had completed desilting of mati bandhara (earthen dam) at village Vanpuri to restore water in the reservoir. It was also essential to connect the pipeline of Purandar Upasa Irrigation Scheme to that reservoir.
- Bharat Forge has successfully completed laying down of pipeline.
- 5000 villagers are getting benefitted with this project.



Pipeline project at village Vanpuri

### District: Satara

**At village Salave, Taluka Patan** ***'Construction of school building'***

- In this village there is no school building and old Grampanchayat office or temple were used as a school classrooms. The village is in earthquake prone remote area.
- Bharat Forge decided to help this school by constructing **3 classrooms.**
- This initiative will benefit **180 students**.

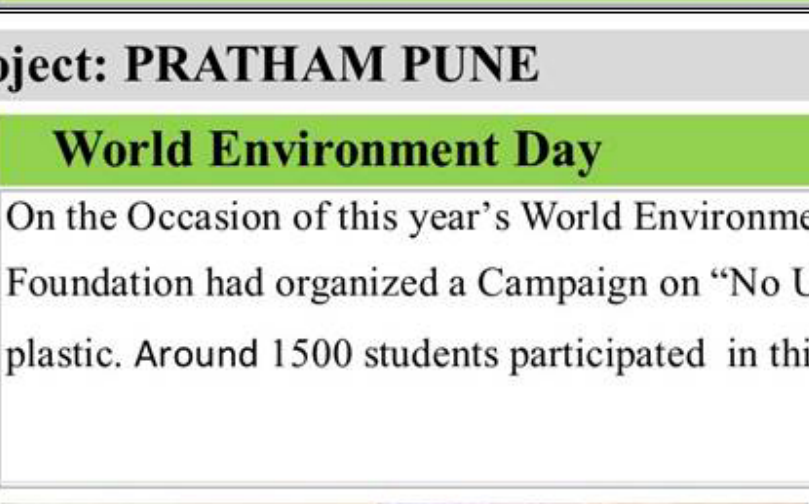
## TELEMEDICINE PROJECT - *Transferring Technology to Villages ...*

**At villages: Chikhali , Phadalewadi (Ugalewadi) , Dhamner, Kanherkhed, Jaypur**

- Telemedicine Project has been set up in 5 Villages. This initiative is providing the Primary Health Care services to the people from the remote villages where more than 10,000 villagers are getting benefited.
- In the month of June the total footfall for check up was 767 out of which 671 doctor's consultation has been done.
- We will be setting 2 more setups - Nagzari at Koregaon Satara District. & at village Thakarwadi , Taluka Ambegaon Pune district

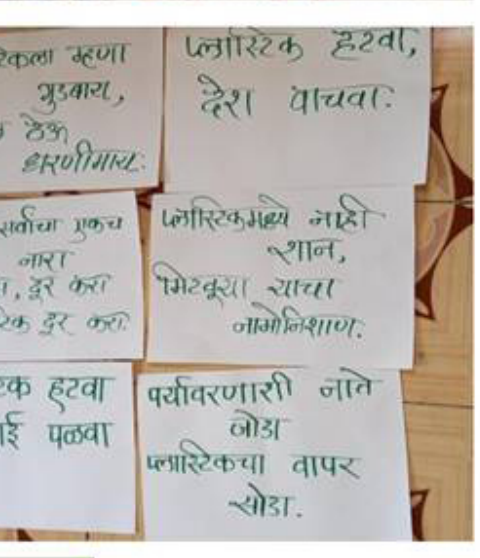


Online consultation by doctor

**1st June to 30th June 2022**

| Place | Total Foot Falls | Doctor's Consultation |
|---|---|---|
| Jaipur | 172 | 166 |
| Kanherkhed | 150 | 121 |
| Dhamner | 188 | 176 |
| Phadalewadi | 154 | 128 |
| Chikhali | 103 | 80 |
| **Total** | **767** | **671** |

Physiotherapy classes are held every fortnight.

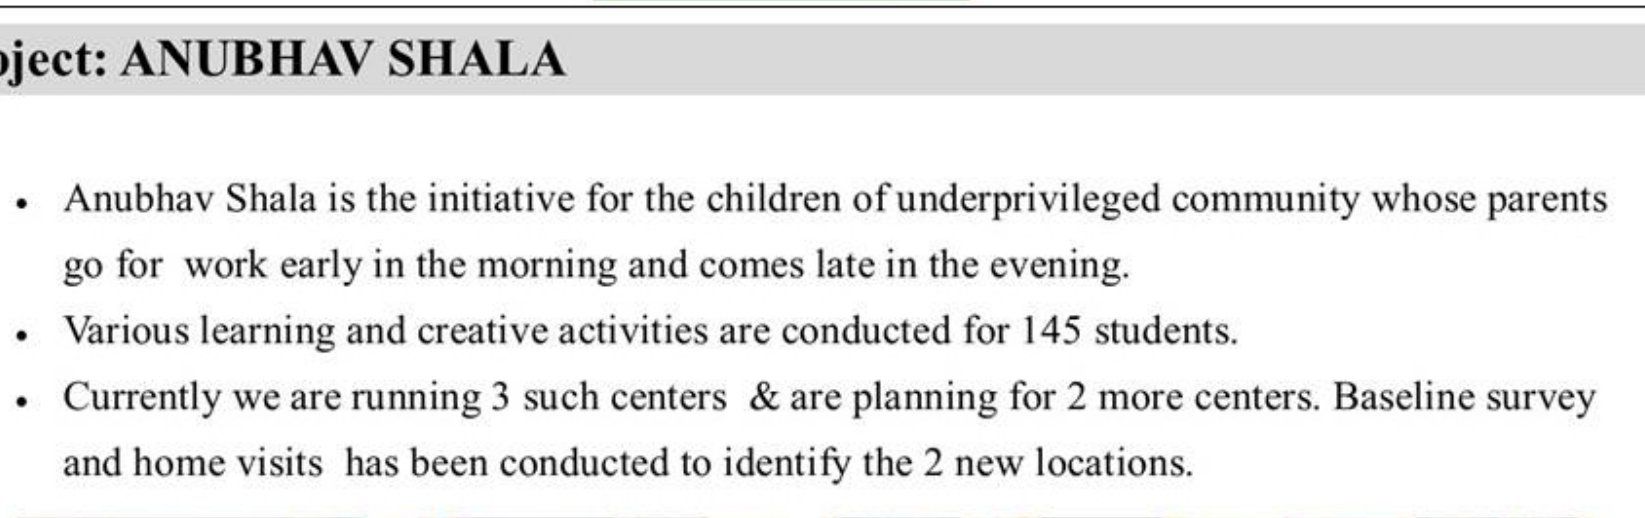


Out reach activity

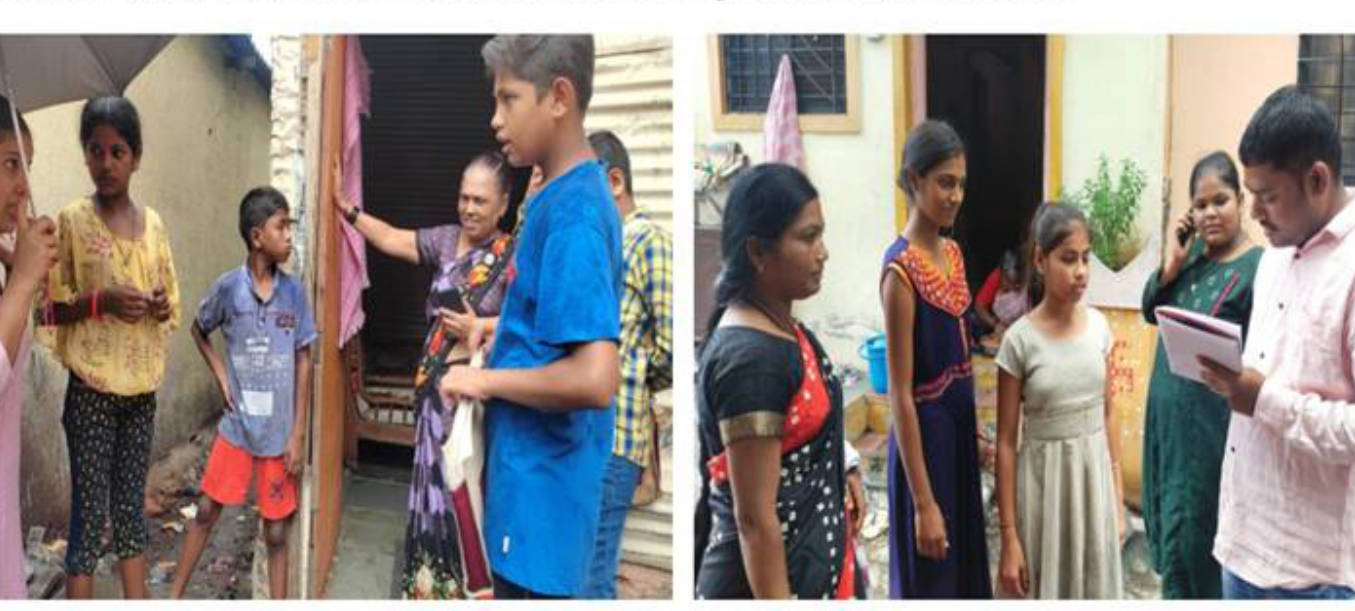
## Project: PRATHAM PUNE

### World Environment Day

On the Occasion of this year's World Environment Day, Bharat Forge & Pratham Pune Foundation had organized a Campaign on "No Use of Plastic" to create awareness about no use of plastic. Around 1500 students participated in this drive and awareness rally was also organized.



Posters and Placards prepared by students



**मुंढवा परिसरात प्लास्टिकमुक्त अभियान**

**मुंढवा :** पर्यावरण दिनानिमित्त प्रथम पुणे आणि भारत फोर्ज यांच्या संयुक्त विद्यमाने मुंढवा विभागात प्लास्टिकमुक्त अभियान राबविण्यात आले. उपक्रमात सफाई कामगार, मुले, पालक, सामाजिक कार्यकर्ते सहभागी झाले होते. पर्यावरणाच्या संरक्षणाबद्दल शपथ घेण्यात आली. कार्यक्रमाचे आयोजन प्रथम पुणे स्वयंसेवक शकुंतला वाघ, शुभांगी गायकवाड, अर्चना गरुड यांनी केले.

Media Coverage
