CORPORATE SOCIAL RESPONSIBILITY

Project - VILLAGE DEVELOPMENT

Taluka: Koregaon District: Satara

At Village Nagewadi, Taluka Koregaon *'Desilting of bandhara'*

Nagewadi is the poor & drought prone village in Dist. Satara.

- Desilting of water reservoir at village Nagewadi will make water available for drinking and agriculture.
- 21 TCM water storage capacity will be created with this work.
- The drought hit village will soon will get converted into green village.
- This will benefit to 2200 villagers .

Desilting of\ bandhara at Nagewadi

Taluka: Koregaon District: Satara

At Village Belewadi, Taluka Koregaon

- At village Belewadi with siphon method the water from main reservoir has been distributed to 8 bandharas through pipeline .
- In the scorching heat of April, Belewadi is experiencing full water filled bandhara which they used to see only during monsoon. This will help the village to convert barren land into fertile land.
- 1200 villagers will directly get benifitted directly with this project.

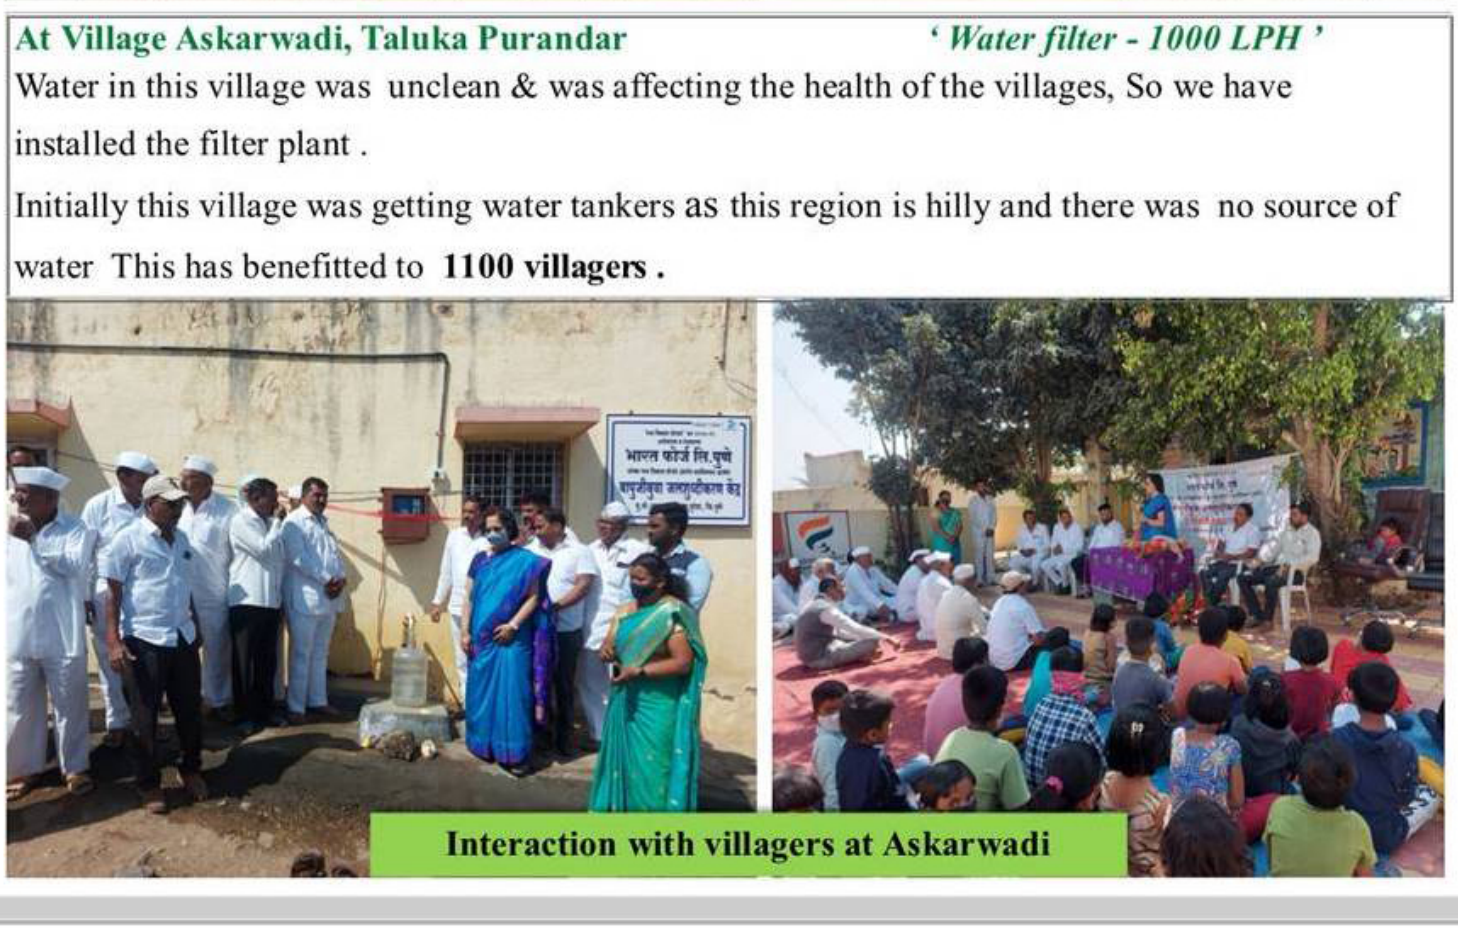
Construction of internal road at Ambale

At Village Askarwadi, Taluka Purandar *' Water filter - 1000 LPH '*

Water in this village was unclean & was affecting the health of the villages, So we have installed the filter plant .

Initially this village was getting water tankers as this region is hilly and there was no source of water This has benefitted to **1100 villagers .**



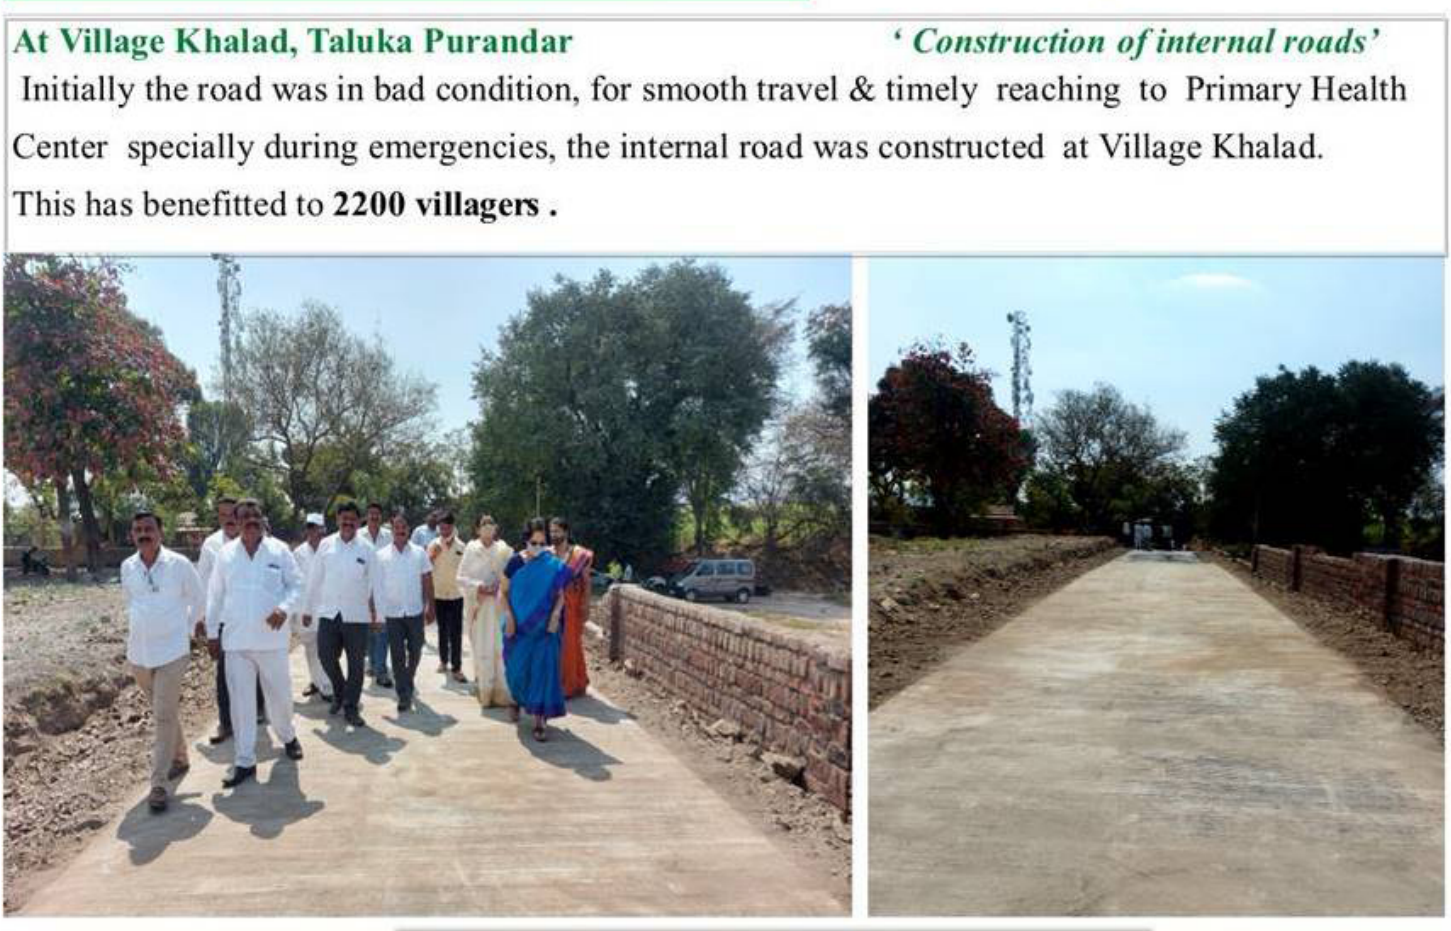
Interaction with villagers at Askarwadi

Taluka: Purandar District: Pune *'Lokarpan Sohala'*

At Village Khalad, Taluka Purandar *' Construction of internal roads'*

Initially the road was in bad condition, for smooth travel & timely reaching to Primary Health Center specially during emergencies, the internal road was constructed at Village Khalad.

This has benefitted to **2200 villagers .**



Construction of internal road at Khalad

At Village Khalad, Taluka Purandar *' Construction of open well'*

- Purandar is drought hit region.
- After many years, last year it rained heavily in some areas and the Karha river got flooded.
- Due to this the exiting well got ruined away completely & their was no source to store water for drinking . So Bharat Forge constructed new well at village Khalad .
- This has benefitted to **2200 villagers .**

Construction of Open well for drinking water at Khalad

Taluka: Dound District: Pune *'Lokarpan Sohala'*

At post. Girim Tal.Dound, Dist. Pune

Constructed six classrooms in Bhairavnath School as they were in bad condition .

The 18 teachers & 550 students are benefitted with this work..
