

VILLAGE DEVELOPMENT PROJECT

Under Corporate Social Responsibility our Chairman Shri Babasaheb Kalyani has set up a vision to develop 100 villages on five indicators i.e. Water, Livelihood, Health, Education & Internal Roads.

We are working in five districts— Satara, Pune, Kolhapur, A. Nagar and Solapur.

Our Chairman along with Mrs. Sunita Kalyani visited villages - Nhavi Budruk, Borgaon, Nagzari and Dhamner [Taluka Koregaon] from Dist. Satara to review the work done under Village Development Project.

Both were greeted by the Sarpanch and the villagers of the respective villages.

At village **Nhavi Budruk**, we have done de-silting of big water reservoir and bandhara is also built to restore the water.

At **Borgaon**, crematorium building is in progress. Since last 80 years the village had no crematorium and in the rainy season, the villagers suffered the most.

At village **Nagzari** desilting of *talav* is done by BFL. The farmers are immensely benefitted due to this. There is record production of ginger due to rich silt and water.
