Project - Vidyarthi Sahayyak Samiti

Place: Pune

- We are working with **VSS - Vidyarthi Sahayyak Samiti** for mentoring and supporting for the Higher Education of 20 girls. These girls are from Polytechnic and Engineering background.
- Our employees will be mentoring them . 12 Mentors are identified from different departments of our organization and each mentor will be guiding 1 or 2 girls for the entire academic year. Mentors and mentees will connect with each other twice in a month through online mode.
- First Interaction of the mentor and mentee took place in offline mode at our Training Center in 2 phases where in total 12 Mentors participated.

Mentor-Mentee Interaction

Project - Waste Management

- We had started the Waste Management project in the year 2017 at Keshav Nagar and had installed 65 composter planters .
- This year, we are expanding the project in order to reach **500 families** of Hadapsar region where each family is provided with 1 Composter Planter which can convert 1 KG of everyday kitchen waste into manure.
- This initiative will convert 500Kg of daily kitchen waste into manure and hence in one year around **180 Tons** of waste will be reduced from PMC and around **18 tons of manure** will get generated.
- We have installed 500 Composter Planters (CP) in different areas of Hadapsar re-

Awareness & Demonstration for waste management

Installation of Composter Planters
