CSR Policy

At Bharat Forge, Corporate Social Responsibility (“CSR”) has evolved over decades with the simple objective of ‘giving back to the society’.

We are, therefore, committed to integrate CSR with the business processes for sustainable growth and development.

VISION
At Bharat Forge, we are committed to work in 100 villages from five districts from Maharashtra working on 5 major indicators - water harvesting, livelihood, health, education and internal roads. We are also committed to address issues pertaining to women empowerment and protection of environment, health & hygiene cleanliness, Swachh Bharat and skill education.

OBJECTIVE
Since last few decades Bharat Forge is continuously implementing community initiatives and is proud Organisation of being a socially responsible corporate citizen. We have scaled up our CSR initiatives after the introduction of CSR Act through our initiatives aimed at improving quality of life of people from rural and urban areas, We also work for underprivileged children and women their growth and development. We would strive to achieve total inclusiveness by encouraging people from all sections of the society irrespective of caste, creed or religion to benefit through our CSR initiatives which would also be focused around communities that reside in the proximity of our companies as well as people from remote villages from Maharashtra.

PHILOSOPHY
At Bharat Forge, Corporate Social Responsibility (“CSR”) has evolved over decades with the simple objective of ‘giving back to the society’. We are, therefore, committed to integrate CSR with the business processes for sustainable growth and development. We would like to emphasize our initiatives in specific areas of social development that would include Village Development (works on 5 major indicators - Water harvesting, livelihood, health, education and internal roads), primary, secondary and tertiary education for the underprivileged children, skills development, health & hygiene, cleanliness, Swachh Bharat, women empowerment, sustainability, environment and ecological protection and
encouragement to nationally recognized sports. We believe our initiatives in these areas would continue to contribute significantly to the overall welfare of the society to make a difference in the quality of living of people from rural and urban areas.
