Project - Village Development

Taluka: Ambegaon District: Pune

Tree plantation ...

- Plantation at forest land at **Thakarwadi village**
- Work details : Saplings: 2,250.
- Area covered : 7 acres

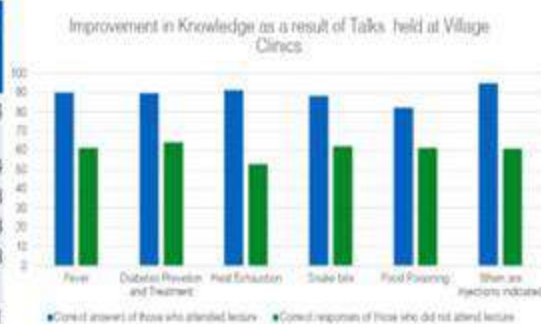

Laying down of pipeline and drip irrigation work for watering the plants along with fencing work is completed

- Online Health awareness sessions were conducted for the villagers on following topics
 - Anemia precaution
 - Prevention of fracture in elderly
 More than 100 people participated and took advantage from these Sessions.
- A small survey was also conducted to get the feedback from the people about the session and it is found that those who attended the session had significantly better knowledge of the concerned topic.
- Physiotherapy sessions were conducted for the villagers. **123 villagers** have participated in this activity.
- Through outreach activities we could reach out to **513 patients**, who are unable to come to telemedicine center.

Talks and Demonstrations-Help in Health Promotion

Topic	Correct answers those who attended lecture (%)	Correct Answers of those who did not attend lecture (%)
Fever	90.11	61.4
Diabetes Prevention and Treatment	89.85	64.4
Heat Exhaustion	91.28	53
Snake bite	88.35	62.3
Food Poisoning	82.14	61.43
When are injections indicated	95	61

Health Talks held: 31 in one year

Questionnaire based survey to assess knowledge of those who attended as compared to those who did not attend the talks.

Gain in knowledge by those attending is significantly more than those who did not attend.

Result of survey showing increase in the understanding of people regarding different diseases & its cure

Statistics of Project Telemedicine

Month of December 2023

Place	Total Foot Falls	Doctors Consult
Jaipur	244	241
Kanherkhed	189	157
Dhamner	187	174
Phadalewadi	136	134
Chikhli	99	93
Thakarwadi	125	119
Nagzari	235	222
Rui	188	175
Total	1403	1315

Outreach Activity

Physiotherapy session for the villagers

Project - Waste Management

- Under 'My Waste My Responsibility' initiative we have installed 1090 Composter Planters (CP) at household level .
- Through these planters around 800 Kgs of daily kitchen waste is getting converted into quality manure.
- Till date around 192 tons of kitchen waste was treated at source from which 19 tons of compost was generated.
- Out of total composter planters installed, some are now working with healthy plantation and some are ready to do plantation and the remaining will be ready in next few months.

Composter Planter

Project - Anubhav Shala & Pradnya Vikas Program

- We are running Anubhav Shala & Pradnya Vikas Program at 5 different localities of Pune.
- In both the programs the children belonging to underprivileged background are getting supported.
- In Pradnya Vikas Program we are supporting around 200 students who are from std. 8th to Std. 10th. Where as in Anubhav shala we are helping around 180 students who are from Std. 1st till std. 6th.
- To review the progress of these projects, CSR team visited Jnana Praboshini.
- Few suggestions were given to the field team in order to improvise the outcome of the program.
- Different initiatives were also organized in this month. For the children of Anubhav Shala, Christmas was celebrated at all the locations. For the students of Pradnya Vikas, educational field visits were organized at different places.
