भारत फोर्ज लिमिटेड ने 1,00,000 वृक्ष लगाए पुणे, 8 जून (आ.प्र.)

भारत फोर्ज लिमिटेड ने विश्व पर्यावरण दिवस के अवसर पर वृक्षारोपण अभियान का आयोजन करके पर्यावरण संरक्षण के प्रति अपनी वचनबद्धता दोहराई। यह कार्यक्रम पुणे कॅन्टोन्मेंट गार्डन में आयोजित हुआ जिसमें केदार दीक्षित, वरिष्ठ उपाध्यक्ष- वित्त विभाग, भारत फोर्ज लिमिटेड की उपस्थिति रही। पिछले वर्ष की उपलब्धियों के आधार पर, भारत फोर्ज ने इस अभियान के अंतर्गत सफलतापूर्वक 1,00,000 वृक्ष लगाए। पूर्ण रूप से विकसित प्रति वृक्ष का कार्बन डाइऑक्साइड का अनुमानित वार्षिक अवशोषण लगभग 0.024 मी. टन है। अब तक, भारत फोर्ज द्वारा कुल 1,35,000 पेड़ लगाए जा चुके हैं। कंपनी ने वर्ष 2030 तक 10,00,000 पेड़ लगाने का महत्वाकांक्षी लक्ष्य रखा है। वृक्षारोपण अभियान के अलावा, भारत फोर्ज ने रसोई के जैविक कचरे को खाद में बदलने एक उल्लेखनीय पहल की है। पिछले साल, कंपनी ने सफलतापूर्वक घरों में 500 से अधिक कंपोस्टर प्लांट्स स्थापित किए, जिससे लगभग 750 ग्राम दैनिक जैविक कचरे को पोषक तत्वों से भरपूर खाद में परिवर्तित किया जा सका। इस सफलता को आगे बढ़ाते हुए भारत फोर्ज ने इस साल 500 और सीपी जोड़ने की योजना बनाई है।

The tree plantation drive aligns with Bharat Forge's vision of creating a greener and more sustainable future.

Pune: Bharat Forge Ltd, a leading multinational conglomerate, reaffirmed its commitment to environmental conservation by organizing a tree plantation drive on the occasion of World Environment Day. The event took place at Pune Cantonment Garden and witnessed the presence of Mr. Kedar Dixit, Senior Vice President – Finance Department, Bharat Forge Ltd, who emphasized the company's dedication to creating a sustainable future.

Building upon the achievements of the preceding year, Bharat Forge successfully carried out the plantation of 1,00,000 trees as part of this campaign. The estimated annual absorption of carbon dioxide per full grown tree is approximately 0.024 MT. As of now, Bharat Forge has already planted a total of 1,35,000 trees.

The tree plantation drive aligns with Bharat Forge's vision of creating a greener and more sustainable future. The company has set an ambitious target of planting 10,00,000 trees by the year 2030.

In addition to the tree plantation drive, Bharat Forge has undertaken a remarkable initiative to transform organic kitchen waste into manure. Last year, the company successfully installed over 500 Composter Planters (CPs) in households, enabling the conversion of approximately 750 grams of daily organic waste into nutrient-rich manure. Building on this success, Bharat Forge plans to add another 500 CPs this year. Collectively, these CPs will effectively convert approximately 750 kilograms of daily organic waste into high-quality manure, promoting a circular economy and minimizing environmental impact.

Bharat Forge Ltd's tree plantation drive and waste-to-manure initiative exemplify the company's dedication to environmental stewardship and its role in creating a sustainable future. The company remains committed to engaging in responsible business practices that contribute to the well-being of the environment and communities at large.

Headline : जागतिक पर्यावरणदिनी भारत फोर्जने
दिली पर्यावरणाप्रती बांधिलकीला पुष्टी

Domain : Maharashtra Lokmanch

Date : June 09, 2023

Journalist:

<https://maharashtralokmanch.com/2023/06/08/bharat-forge-reaffirms-commitment-to-environment-on-world-environment-day/>

आघाडीचा बहुराष्ट्रीय समूह भारत फोर्ज लिमिटेडने जागतिक पर्यावरण दिनानिमित्त वृक्षारोपण मोहिमेचे आयोजन करून पर्यावरण संवर्धनासाठी आपल्या वचनबद्धतेची पुष्टी केली. हा कार्यक्रम पुणे कॅन्टोन्मेंट गार्डन येथे पार पडला. यावेळी भारत फोर्ज लिमिटेडच्या वित्त विभागाचे वरिष्ठ उपाध्यक्ष श्री. केदार दीक्षित उपस्थित होते. शाश्वत भविष्य निर्माण करण्यासाठी असलेल्या कंपनीच्या बांधिलकीवर त्यांनी भर दिला.

मागील वर्षाच्या कामगिरीवर आधारित भारत फोर्जने या मोहिमेचा एक भाग म्हणून १,००,००० झाडांचे वृक्षारोपण यशस्वीरित्या पार पाडले. प्रत्येक पूर्ण वाढ झालेल्या झाडाकडून वर्षाला अंदाजे ०.०२४ MT कार्बन डायऑक्साइडचे शोषला जातो. आतापर्यंत भारत फोर्जने एकूण १,३५,००० झाडे लावली आहेत.

वृक्षारोपण मोहीम ही भारत फोर्जच्या अधिक हरित आणि अधिक शाश्वत भविष्य निर्माण करण्याच्या दृष्टीकोनाशी सुसंगत आहे. कंपनीने २०३० पर्यंत १०,००,००० झाडे लावण्याचे महत्वाकांक्षी लक्ष्य ठेवले आहे.

वृक्षारोपण मोहिमेसोबतच भारत फोर्जने स्वयंपाकघरातील सेंद्रिय कचऱ्याचे खतामध्ये रूपांतर करण्यासाठी एक उल्लेखनीय उपक्रम हाती घेतला आहे. गेल्या वर्षी, कंपनीने घरांमध्ये ५०० हून अधिक कंपोस्टर प्लांटर्स (CPS) यशस्वीरित्या बसविले. त्यामुळे दररोज सुमारे ७५० ग्रॅम सेंद्रिय कचऱ्याचे पोषक तत्वांनी युक्त खतामध्ये रूपांतर करता आले. या यशाच्या जोरावर, भारत फोर्जने यावर्षी आणखी ५०० सीपीज बसविण्याची योजना आखली आहे. एकत्रितपणे, हे सीपीज दैनंदिन अंदाजे ७५० किलोग्रॅम सेंद्रिय कचऱ्याचे उच्च-गुणवत्तेच्या खतामध्ये प्रभावीपणे रूपांतरित करतील आणि पर्यावरणावरील प्रभाव कमी करून चक्राकार अर्थव्यवस्थेला चालना देतील.

भारत फोर्ज लिमिटेडची वृक्षारोपण मोहीम आणि कचऱ्यापासून खतापर्यंतचा उपक्रम यातून कंपनीची पर्यावरणाप्रती कामाची बांधिलकी आणि शाश्वत भविष्य निर्माण करण्यातली मोलाची भूमिका याचे दर्शन घडते. पर्यावरण आणि समाजाच्या कल्याणासाठी मोठ्या प्रमाणावर योगदान देणाऱ्या जबाबदार व्यवसाय पद्धतींमध्ये सहभागी होण्यासाठी कंपनी वचनबद्ध आहे.

**Headline : ON WORLD ENVIRONMENT DAY,
BHARAT FORGE MAINTAINS ITS
COMMITMENT TOWARDS ENVIRONMENT**

Domain : Nisargaranga

Date : June 09, 2023

Journalist:

<https://nisargaranga.com/2706/bharat-forge-world-environment-day-plantation-drive-netzero/>

Leading multinational conglomerate Bharat Forge Limited affirmed its commitment to environmental conservation by organizing a tree plantation drive on World Environment Day. The event was held at Pune Cantonment Garden. On this occasion Kedar Dixit, Senior Vice President of Finance Department of Bharat Forge Limited and Head of CSR Department Dr. Leena Deshpande was present. He emphasized the company's commitment to creating a sustainable future.

Building on the previous year's performance, Bharat Forge successfully carried out plantation of 1,00,000 trees as part of this campaign. Each fully grown tree absorbs approximately 0.024 MT of carbon dioxide per year. So far Bharat Forge has planted a total of 1,35,000 trees.

The tree plantation drive is in line with Bharat Forge's vision to create a greener and more sustainable future. The company has set an ambitious target of planting 10,00,000 trees by 2030.

Along with the tree plantation drive, Bharat Forge has undertaken a remarkable initiative to convert kitchen organic waste into compost. Last year, the company successfully installed more than 500 compost planters (CPS) in households. Therefore, about 750 grams of organic waste per day could be converted into nutrient-rich manure. Buoyed by this success, Bharat Forge plans to install another 500 CPs this year. Together, these CPs will effectively convert approximately 750 kilograms of organic waste per day into high-quality fertilizer and promote a circular economy while reducing environmental impact.

Bharat Forge Limited's tree plantation drive and waste-to-fertilizer initiative demonstrate the company's commitment to the environment and its role in creating a sustainable future. The company is committed to engaging in responsible business practices that contribute greatly to the well-being of the environment and society.
