Place : Dimapur (Nagaland)

“A journey towards Germany ”

Centre of Excellence (CoE) at NTTC - Nagaland tool room and training center

- A batch of 22 students are undergoing training from the CoE, set up by Bharat Forge at NTTC.
- Regarding the technical skills and German language teaching, an MoU was signed between NTTC and Jobs in Germany in the presence of Bharat Forge.
- This year the center will further strengthen by doing and adding the technologies like Advance electrical industrial controls, hands on home wiring along with simulation, AI & IoT software and hardware kits, 6 axis cobot etc.

MoU Exchange between ‘Jobs in Germany’ and ‘NTTC’ in the presence of Bharat Forge

NTTC launches ‘Jobs in Germany’ for 1st batch

Achim Rodewald with government officials and trainees.

DIMAPUR: The Nagaland Tool Room & Training Centre (NTTC), Dimapur, organised an inaugural programme on January 12 for the first batch of 22 candidates under the ‘Jobs in Germany (JIG)’ initiative. The programme follows the Memorandum of Understanding (MoU) signed on December 15, 2025, between the government of Nagaland, through NTTC Dimapur, and Jobs-in-Germany GmbH.

India representative for Jobs-in-Germany GmbH, Achim Rodewald, briefed the students on German work culture and emphasised the importance of German language proficiency up to B1 level as a key requirement for visa and employment. He acknowledged the role of Bharat Forge Ltd. in supporting the collaboration and highlighted the strong potential of Nagaland youth in the global workforce.

Sharing the industry perspective, CII Nagaland, state head, Chizuknok Longkumer, described the initiative as a significant opportunity for the youth of the state, particularly those seeking meaningful and dignified employment abroad.

Delivering the keynote address, director, industries & commerce, Nagaland and CEO, NTTC, Dimapur, P. Tokugha Sema, highlighted the government of Nagaland’s vision for international skill mobility. He encouraged students to approach the opportunity with discipline, responsibility, and commitment, stressing that German language learning is foundational to long term success. He also reminded the students that they represent Nagaland and India on the global platform.

The formal session was chaired by NTTC, Dimapur, programme manager (JIG), Er. P. Soenthung Kithan.

Lokarpan Sohala

“Making the difference in the lives of people ”

Construction of Internal Panand road at village Waghapur-Gurholi

Measurement: 1530 Mtrs length and 12 ft. width

- This work will benefit to 1,700 villagers by improving quality of life and health.
- The farmers are very happy that this road work is being done, which is very important for the farmers and will be useful for them from the point of view of increasing agricultural produc-

Lokarpan Sohala - [Handover ceremony] of Panand Road at village Gurholi-Waghapur. Bharat Forge's water conservation efforts addressed water scarcity and boosted farm productivity, but poor road access hindered market transport. Responding to farmers' needs, new Panand roads were built - ensuring easy transportation, reviving fallow land, encouraging modern practices, and supporting rural businesses.
