Place : Dimapur (Nagaland)

Work in progress

“A skilling journey in the North-east ”

Centre of Excellence (CoE) at NTTC - Nagaland tool room and training center

- Last year we had set up the Centre of Excellence at NTTC providing the new edge technologies in the center like drone technology, 3D printing, mini smart factory having Industry 4.0 applications, simulations for robotics, CNC etc.
- This year the center will further strengthen by adding the technologies like Advance electrical industrial controls, hands on home wiring along with simulation, AI & IoT software and hardware kits, 6 axis cobot etc.
- Students from existing CoE are undergoing training for ‘Jobs in Germany’ and in next few months they will be getting employment in Germany after completion of the training.

Project Vidyanjali

Session on 'Personal Effectiveness'

- As part of Vidyanjali project, which is the Government of India's initiative, we are supporting the higher education of North East students.
- 29 students are not only getting financial support for their education but also the mentorship is provided under this program.
- As part of mentorship, we are conducting different sessions for these students and in this month a session on Personal Effectiveness was conducted for them. This lab will give the

The screenshot shows a Zoom meeting interface with three main panels. The left panel is a slide titled "What is Personal Effectiveness?" with the following text: "Personal effectiveness is making use of all personal resources, i.e." followed by a list: "Your talents and skills", "Energy", "Time", "Ability to Adopt/Technology friendly", "Innovative/world war II", and "Empathy/we are not Robots". Below the list is the text "so as to achieve your work goals as well as life goals" and a "GOAL ACHIEVED" graphic. The middle panel shows a grid of 12 participant video thumbnails with names: Pranav Tonge, Mohammad sahil, Dibya, Tozu, Sonia Wadhwa, Simran, Dr.Garima, Nazia Aaman, Majuli Daimary, Ambo ayemi, Surabhi, and Shobha Ronimath. The right panel is a slide titled "Working on personality factors" with a list: "Be comfortable with yourself", "Physical Fitness", "Relationship", "Empathy", "Managing change", "Communication", "Initiative", and "Attitudes".

The top left image is a motivational graphic with two fishbowl-like containers. The left one contains several goldfish, and the right one is empty and labeled "CHALLENGE ACCEPTED". The top right image is a photograph of a woman with glasses and a bindi, wearing an orange and gold sari, speaking in an office setting with bookshelves in the background.
