Project - Community Development

Annual Competition 2026

- The 1st Annual Best Out of Waste Competition 2026 was successfully organized at all three community centres.
- The competition was based on the theme “**Home Decoration – Best Out of Waste**”, encouraging participants to creatively transform waste and discarded materials into useful and attractive decorative items.
- The competition provided an excellent platform for women to showcase their talents, develop confidence and promote sustainable living practices. Overall, the activity successfully combined creativity, skill development, environmental awareness and women empowerment.

Gurupornima celebration 2026

- On 29th July 2026, Guru Purnima was celebrated at the Hadapsar Community Development Centre, with the participation of 75+ community members. Dr. Leena Deshpande, graced the occasion as the Chief Guest. A special podcast-style Question & Answer session was conducted with her, providing members an opportunity to interact, ask questions and share their experiences.
- Dr. Leena Deshpande guided and mentored the members on various aspects of daily life, problem-solving, management, decision-making and handling challenges. Her valuable insights, encouraging words and personal experiences motivated the members to build confidence, overcome difficulties and move forward positively.
- The celebration provided a meaningful platform for learning, mentorship, motivation and gratitude, leaving the community members inspired and empowered.

Project - Pradnya Vikas Program

- ♦ Pradnya Vikas Program provides academic and skill-based support to selected students from Grades 7th to 10th across various communities in Pune. The programme aims to strengthen students' academic performance, build self-confidence, and promote holistic development.
- ♦ In the academic year 2025-26, the grade 10 students achieved excellent results in the SSC examination. To celebrate their success, a Meritorious Students Felicitation and Best Wishes Ceremony was organized.
- ♦ As a Chief Guest Dr. Leena Deshpande congratulated the students and encouraged them to continue developing their academic abilities, communication skills, leadership qualities, and lifelong learning mind-set as they move forward in their educational.

Interaction with Students

10th Standard Students of Pradnya Vikas Program

Project - Anubhav Shala

- ♦ Under Anubhav Shala, on the occasion of Ashadhi Ekadashi, students learned about the Palkhi procession and the teachings of Sant Tukaram Maharaj and Sant Dnyaneshwar Maharaj, which promote devotion, equality, and kindness.
- ♦ Students made a Palkhi display, dressed up as Lord Vitthal and Goddess Rukmini, and happily took part in a traditional Wari procession to celebrate Maharashtra's rich culture and traditions.

Project - Waste Management

My Waste My Responsibility - Awareness Meeting

- Under the waste management initiative we are converting the kitchen waste into a quality manure. Till date we have reached 2280 families by providing them composter planters (CP).
- This year 600 new composter planters will be given to the families in the project area. As part of this initiative the initial meetings are going on where the objective of this project and the roles and responsibilities of the individuals are getting explained to them.
