Project - Employee Voluntarism

Departmental CSR Initiative

- Employees of Bharat Forge actively participate in various CSR initiatives, dedicating their time based on their individual skills and availability. Their involvement not only benefits the community but also promotes a culture of generosity within our workforce, motivating others to contribute to society.
- To honor their contributions, we organize an annual departmental CSR initiative, providing a platform for employees to showcase their participation in different CSR initiatives.
- In this year's departmental CSR presentations 11 departments highlighted their involvement in CSR projects.
- External assessors were invited to evaluate their efforts..

Project - Waste Management

- Under the waste management initiative we are helping the community people from Hadapsar region of Pune to set up the composter planters for effectively managing their kitchen and garden waste.
- Employees from Bharat Forge has also contributed by participating in this initiative and set up these composter planters at their home.
- Few of them created terrace garden on their terraces by using the organic manure prepared in the composter planter.
- In these terrace garden they are growing various fruits like organic cabbage, lemon, bringle etc.

Cooking Competition 2024-2025

- A Cooking Competition was conducted this month across three community centers as part of annual event.
- The theme centered around preparing various types of *kheer* using healthy and nutritious ingredients.
- A total of 83 participants enthusiastically took part, showcasing their creativity, innovation, and culinary skills.
- This competition aimed to promote healthy eating habits and raise awareness about nutritious alternatives in traditional desserts.
- All recipes were assessed by external assessor and they were also given the a small gift as token of appreciation.

Project - Pratham Pune

- Every year we conducts Bal Melava for the students who are part of our Pratham Pune Education program. This year too "Balmelava 2025" was successfully conducted where more than 200 children, 100 community teachers and 20 alumni students participated.
- The event featured a project exhibition, a puppet show on safe & unsafe touch, an alumni panel discussion and the Science Cup 2025 prize distribution.
- The Chief Guest of event, Dr. Leena Deshpande, encouraged the students by her speech & she also distributed the prizes to the winners of The Science Cup competition.
- We also conducted "An Interschool Science Cup Competition 2025" witnessed participation of 66 students representing 11 schools in Pune. The competition aimed to encourage curiosity, problem-solving skills and hands-on learning in science among students.
